Video Production

We produce incredible videos that tell the stories you want to convey to your audience.

We use Netflix approved 4K cinema cameras for fantastic images and edit and grade all footage in our Watford office until we're happy to show you what we've created.

Video Examples:

- Promotional videos
- Conferences
- Demo videos
- Web advertisements
- Weddings
- Graduations

Example Package:

Approx. 5 minutes promotional video with up to 3 days of filming and unlimited editing revisions starting from £1500

Standalone Rates Starting From:

£350 per half day shoot
£600 per full day shoot
Editing at £150 per day

Live Streaming

Your event livestreamed to any player, platform or website.

Over the last few years, we've become masters in managing and running virtual, hybrid and on-site events. We understand everything from event scheduling through to content delivery.

Let us manage all the different aspects of running your live stream so you don't have to worry about anything.

Live Streaming Examples:

- Conferences
- Weddings
- Graduations
- Festivals and concerts
- Virtual events
- Hybrid events

Standalone Rates From:

£450 per half day

£1000 per full day

Hybrid event travel at £0.45 per mile

Addons Available:

Editing

IMAG (live video image magnification)

AV support

Bespoke virtual events platforms

Consultancy & Training

Before and presently during the pandemic, we've amassed a wealth of knowledge on so many aspects of production, AV and IT.

We've travelled up and down the country having worked in various school, colleges, universities and businesses.

Using our experience, we've created some workshops to teach you and your team the skills you need to build your own in-house media production arsenal.

Complete Video Production:

- Storyboarding & Scripting
- Setting up and filming
- Audio
- Editing
- Publishing
- Social Media & More

Complete Photography Guide:

- Photography Principles
- Framing & Rule of Thirds
- Camera Modes
- Editing
- Social Media & More

Live Streaming:

- Equipment & Software
- Event Management
- Remote Guests
- Production Switchers
- Vmix & OBS
- Bitrate & Streaming
- Protocols
- Live Captioning, Players & More

Rates From:

£400 per half day

£700 per full day

Workshops can be compressed to a one-day workshop but typically work best over approx. 4 half days.

Up to 15 people, delivered in person or virtually

Consultancy & Training

Along with our consultancy & training workshops we also offer installations and integrations.

While we don't have all the skills for everything in-house, we've worked with a nationwide group of installers, engineers and builders to deliver bespoke installations and solutions.

Business Desktops, Laptops & Mobile Devices

- Setup and install
- Software installation
- Hardware upgrades
- Networking
- Servers, active directory & MDM

Business Networks

- Fibre, ADSL and leased line Installations
- Internal network setup
- Router and gateway configuration
- Access points
- Switches and servers

Production Installation

- Lecture rooms and classrooms
- Studio installations
- AV integration
- Home automation
- Event venues
